

## Welcome to Term 2!

Kia ora koutou,

We trust and hope you are all safe and well. It was a very abrupt end to term 1 and a shock to us all to go into Lockdown so quickly. We really support the decision made. It has been the best for our country.

I'm sure for many of you it will have been a very different holiday, I know at our house it was very different!

Our programme will go out via email tomorrow, a huge amount of time and thought has gone into this programme.

We believe it to be balanced including a variety of essential skills. Please know we completely understand if not all aspects can be completed, we appreciate families are still working, just do what you can.

All information, our Home learning Programme and links to the suggested websites can be found on the school website <https://www.orewanorth.school.nz/pandemic-information/>  
A reminder we have a private Facebook page which we will be updating during this time too. details to join this are: <https://www.facebook.com/groups/1798036850509805/>

When the children return to school we will pick them up where they are at and carry on. Their wellbeing and yours is what's important right now.

Teachers will be in touch, myself, Mr Barclay and Mrs Morgan will also be available to help along this journey too, we're all in this together!

Please take care, be kind to each other, don't sweat the small stuff and take all the good things you can out of this experience with your child.

Wash your hands with soap and water often (for at least 20 seconds). Then dry.

Cough or sneeze into your elbow or by covering your mouth and nose with tissues.

Clean and disinfect frequently touched surfaces and objects, such as doorknobs.

Don't touch your eyes, nose or mouth if your hands are not clean.

Put used tissues in the bin or a bag immediately.

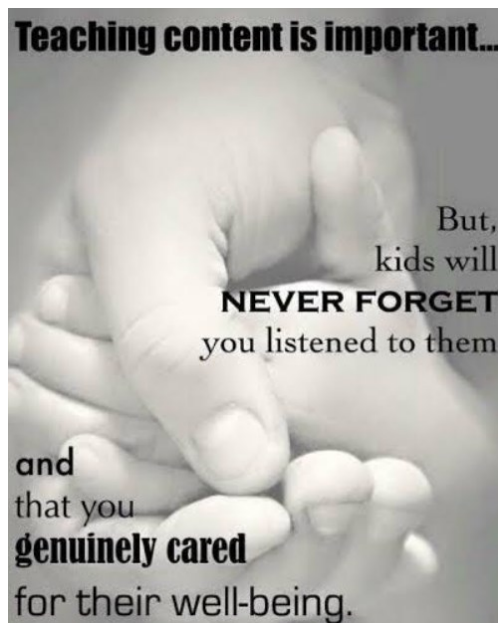

Stay home if you feel unwell.
