

**LEARNING: THE LINK TO THE FUTURE**

**KO TE AKORANGA KO TE HONO KI ANAMATA**

## Kia ora koutou,

Thank you for your wonderful support as we launched our online learning last week. We hope you are all managing in your "bubble" and are really looking forward to seeing all our students back when it is safe.

We are aware the Prime Minister is giving an announcement this afternoon, followed up by the Ministry of Education's guidelines for us to follow, we will let you know on Tuesday what the plan moving forward will be for our school. Our Teachers have loved seeing the learning that students have been doing, especially some of the creative projects! We hope you enjoyed the videos that went out last week, I'm very proud of our Teachers for doing those and know your children would have loved seeing them!

## Thank you to our amazing staff

A huge thanks to all our staff who are working really hard to keep our Home Learning Programme fun and not too stressful for families, for being brave by doing your videos and working on keeping communication open to our School community, we are very lucky to have you looking after our students!

## Mrs Pascoe's Lego Challenge

Get a big pile of Lego and everyone in your family together, set a timer for 15 minutes and individually see what you can create in 15 minutes. I'd love to see your creations on our school Facebook page!

## Counselling through this difficult time

Our School Counsellor Theresa Bruce is available to talk to parents at this hard and unusual time. Please feel free to contact her email: [cascadecounsellingnz@gmail.com](mailto:cascadecounsellingnz@gmail.com) or phone: 0273246646

## Website

**Kindness is a gift, everyone can afford to give!**

## Mrs Phillips' Muddy Fudgy Paws

Remember to always get help from an adult

### You will need:

- 1 tablespoon clear honey
- 40g butter
- 2 teaspoons cocoa powder
- 75g icing sugar
- 50g rice cereal

### Method:

1. Place honey, butter, cocoa powder in a saucepan.
2. Heat gently until melted and well mixed.
3. Add the icing sugar and mix well.
4. Add the rice cereal and mix well until coated.
5. Spoon into about 10 paper cases and leave to set.

# Activities - From Kereru Teachers

## Mrs' Holm's Favourite Choccy Self-saucing Pudding

which you might like to try during Lockdown. We have made it a lot!!

### You will need:

- 1 cup flour
- 1 tsp baking powder
- 1 tbsp cocoa
- ½ cup milk
- ½ tsp salt
- 1 tsp vanilla essence
- ¾ cup sugar
- 2 tbsp melted butter

### Method:

Sift dry ingredients then add vanilla essence and melted butter. Mix until smooth Pour into a baking dish. Mix together the following and pour over cake mix brown sugar, cocoa and 1¾ cup's boiling water Bake for 1 hour at 180 degrees

Mistakes are  
**PROOF**  
that you are  
**TRYING**

## Mrs Boots Craft Activity

It is a simple activity, collect flowers or leaves and press them in a heavy book.

When they have dried get creative and find a way to display them.

## Mrs Wallers' Yoghurt Iceblocks

### You will need:

- 1 carton plain yoghurt
- 150mls fruit Juice (like Fresh-up)
- 1tsp honey
- drop of vanilla essence (optional)

### Method:

Combine well and freeze in iceblock moulds or ice cubes with sticks

## Mrs Wallers' Playdough

### You will need:

- 1 cup flour
- 1tbsp oil
- 2tsp cream of tartar
- 1/2 cup plain salt
- 1 cup water
- food colouring or essence

### Method:

Put all ingredients in a pot and stir vigorously over a low heat until it congeals in a lump (about 5 minutes). This is a lovely texture and will keep indefinitely in an airtight container.
