2021

We are in the process of finalising staffing for next year. We will then be placing our students. Please know we take extreme care, time and professional discussion to make the best possible decisions for placing your child. We do our very best to consider friendships and teacher fit for your child. As always the best learning environment and opportunities comes first. Please trust us in making these decisions. We care about your children and like you want the very best for them.

Our Year 1-4 students had their cross country on Friday and we are so proud of them doing their very best. Thank you to Mrs. Sarah Thornhill and all the teachers that supported her in making this happen for our students.

New Adventures outside!!

We are very excited about some exciting new projects happening this month! In a few weeks work will begin removing our old Junior Playground to make way for a brand new one! We also will be getting our Junior courts turfed and the new space net will go up in the Senior Playground. This work is funded by a special one off payment to all schools to be used to make improvements to outdoor environments.

What fun was had at our disco! Orewa Beach School would like to say a BIG THANK YOU to our amazing and dedicated PTA for bringing this together! Also to Kelly Club for donating their time and some great prizes.

Absentee notifications and pick up's during school time

If your child is going to be absent from school can you please put your absences through the school app or phone through to the office on 09 426 4849.

If you are needing to collect your child from class during school time, can you please report to the office first.

Head lice

There has recently been a case of head lice identified at the school and we wanted to make sure you were kept informed. While lice are nothing more than a nuisance, it is important that children are checked on a regular basis so that any head lice can be dealt with quickly and before they are allowed to spread further.

Scottish and Irish Music

How far do you have to go to hear and, perhaps, play
Scottish and Irish music?

Not as far as you might think. On Thursday nights, in
normal times, harpists, accordionists, guitarists, banjo-
players, flute-players, mandolinists, pipers, whistle-
players, bassists, concertina-players, singers, and
listeners meet locally to play Celtic folk music – just for
the sheer pleasure of it. We make an awesome sound!

The group is called 'The Puhoi Celtic Sessions'. We
meet in Orewa session on alternate Thursdays at
Orewa Beach School.

Here's a slice from the middle of our repertoire:

Midnight on the Water

Mountain Dew

Mrs Martin's/Foxy Mary

Mull of Kintyre

A strong point of difference with our group is our
'dropbox' – and on-line repository – where the sound
files and scores for our entire repertoire are kept. This
means you can learn the music by ear – or by reading
dots. Each week we publish a set-list so that everyone
turns up able to play everything. We don't perform; just
play for the sheer joy of it.

Players of any standard are welcome to join with us, all
you need is enthusiasm for the music. A more friendly
and welcoming bunch would be hard to imagine.

Children's Community Dental Service (Auckland Regional Dental Service) during COVID-19 Alert Level 1:

Kia ora,

Some of our dental clinics will be open during Alert Level 1. We will be offering appointments to children with the most urgent dental care needs. Our staff will be in contact with the parents/caregivers of these children to book appointments.

We will contact parents/caregivers of children who are due for their routine appointments in due course. We are unable to put a timeframe on this at present, which means there may be delays in routine appointments.

If your child is in pain, or if you have any immediate concerns about their teeth, please phone 0800 TALK TEETH to speak to one of our therapists. The therapist may offer an appointment for your child if required.

We kindly ask that you do not present to the clinics if you don't have an appointment booked. This is because we need to ask all parents/caregivers and patients COVID-19 questions over the phone before booking an appointment. This is to protect our staff and other patients in the clinic.

If you have any questions, please email ARDS@waitematah.govt.nz.

Thank you for your understanding and support during this time.

Kind regards,
The Children's Community Dental Service.
